Further Details

Are you looking for a **room to rent in Medway**? A key thing that sets Tungsten MG apart is the monthly room rent includes utility bills with high speed WiFi and a cleaner to all communal area, plus in some properties we arrange for a gardener to maintain the outdoor space. Tungsten MG are looking to bring together professional friendly people who can build a community and social place to live.

We wish to bring together a new group of people to share this home and who are respectful for others, are clean and tidy and maintain a good standard of living as no-one wants to live with a messy housemate.
